Product Description

The Samsung Galaxy Tab 2 7.0 is your tablet buddy on the go. And the Kensington Folio Leather Inspired Case is your buddy's best friend with the protection your Tab 2 7.0 needs to survive life on the go. The built-in multi-position stand is perfect for viewing, typing, playing games and surfing the web. Multiple-positions means you'll always find the one that's most comfortable whether you're sitting at a café table, lounging on the couch, or typing on your lap. One thing that's great about the Galaxy Tab 2 7.0 is the ultra-thin form factor. And the Kensington Folio Leather Inspired Case maintains that thin profile while adding the protection you need from bumps and scratches. The shell cover also protects all edges and corners of your Galaxy Tab 2 7.0 while maintaining full access to all controls and both the front and rear-facing cameras. With Video Hub's 1000 plus titles, plus Readers Hub ebooks, you're going to need a hands-free stand. The Kensington Folio Leather Inspired Case is the perfect solution. And when you're ready to hit the road, snap it closed and your Galaxy Tab 2 7.0 is protected and ready to go. The magnetic closure makes sure your Kensington Folio Leather Inspired Case stays closed to protect the screen.
